

Presidents Welcome

Hey Beeliar Spirit crew,

We're already nearly halfway through the season — time flies when you're having fun! It's been awesome to see everyone putting in the effort, showing up with great energy, and really bringing that Beeliar Spirit vibe to life.

A massive thank you to all our amazing volunteers. From coaching and managing to helping out in the canteen or setting up game days — you're the reason things run so smoothly, and we're so grateful.

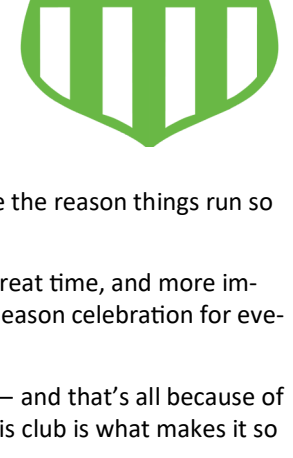

Keep an eye on our social media for upcoming events. They're always a great time, and more importantly, they help raise funds that go towards creating an epic end-of-season celebration for everyone.

Personally, as President, I'm extremely proud to call Beeliar Spirit home — and that's all because of every single one of you. The heart, effort, and community you bring to this club is what makes it so special.

If you need anything or just want to have a chat, reach out to one of our committee members any time — we're always happy to help.

Let's keep the momentum going and finish the season strong. Go Beeliar Spirit!

THE EASTER BUNNY CAME TO TRAINING

April brought a festive surprise to our training grounds as the Easter Bunny made a special appearance, lacing up its (imaginary) boots and hopping across the pitch to visit every one of our teams!

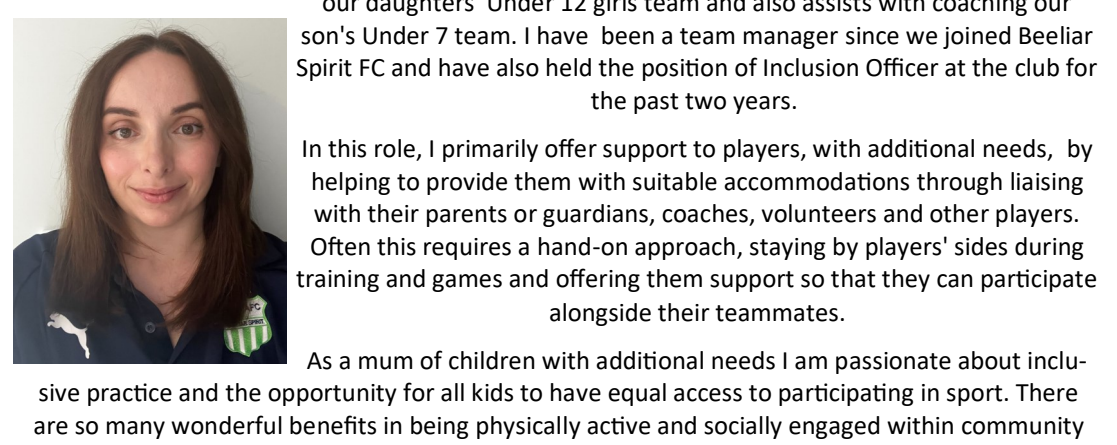

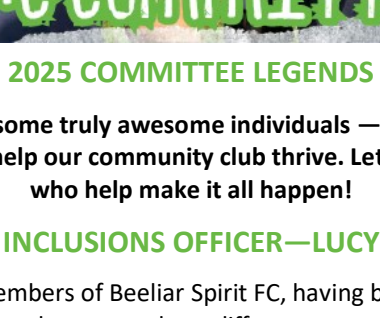

With a basket full of chocolate eggs and a heart full of Easter cheer, the Bunny stopped by each session to hand out sweet treats to our hardworking players. From clusters to seniors, the joy was contagious as drills paused briefly for a bit of seasonal fun.

2025 COMMITTEE LEGENDS

Our committee is packed with some truly awesome individuals — each one bringing their unique energy, ideas, and passion to help our community club thrive. Let's meet a few of these legends who help make it all happen!

INCLUSIONS OFFICER—LUCY

My family and I are long time members of Beeliar Spirit FC, having been involved with the club since 2020. We have four children who play across three different teams. My husband currently coaches our daughters' Under 12 girls team and also assists with coaching our son's Under 7 team. I have been a team manager since we joined Beeliar Spirit FC and have also held the position of Inclusion Officer at the club for the past two years.

In this role, I primarily offer support to players, with additional needs, by helping to provide them with suitable accommodations through liaising with their parents or guardians, coaches, volunteers and other players. Often this requires a hand-on approach, staying by players' sides during training and games and offering them support so that they can participate alongside their teammates.

As a mum of children with additional needs I am passionate about inclusive practice and the opportunity for all kids to have equal access to participating in sport. There are so many wonderful benefits in being physically active and socially engaged within community organisations. I have seen firsthand the joy that can bring, through my own children's experiences of playing with Beeliar FC, and look forward to further developing this role in the future.

WELLBEING OFFICERS —SEAN & PAULA

Hi everyone! My husband and I are proud to be your Wellbeing Officers on the Beeliar Soccer AFC committee. Volunteering is something we genuinely value, and we're passionate about supporting our club community both on and off the field.

You'll often spot us around; he's the U9s Purple Dingoes coach, and I manage two teams in the U7s cluster. With two of our three kids playing for Beeliar and my husband also part of the Division 2 Men's team, we're actively involved in every corner of club life. Professionally, we both come from healthcare backgrounds and have years of experience in health-related volunteer roles, which we bring into this position.

As Wellbeing Officers, our role is to support the emotional, social, and practical needs of our players, families, and volunteers. Whether it's connecting between with resources, promoting mental and physical wellbeing through organised events, being a listening ear, or helping someone navigate a challenge, we're here to ensure everyone feels safe, included, and supported. Our aim is to build a positive, respectful club culture where every member, young or old, can thrive. Please don't hesitate to reach out if you ever need a chat, support, or just a friendly face on game day!

For the 2025 season, we're celebrating the incredible volunteers who go above and beyond for our club with our monthly **"Spirit of the Month"** award!

A massive shoutout to our incredible volunteer coach for the U10s Girls Dingoes, captain of the WLS, and part-time Easter Bunny — the one and only Bunny-O!

Thank you, Bunny-O — you're an absolute star and a very deserving Spirit of the Month!

For the month of May, we were thrilled to spotlight Bunny-O for her outstanding dedication and energy.
