

Presidents Welcome

And we are off and racing! Welcome to the 2025 season and thank you for joining Beeliar Spirit!

Things are really kicking off at the club with most teams having started training and the energy around the club is fantastic. I would like to thank our amazing committee volunteers for the hours of work that goes into pre-season to get everything ready for us to succeed in the year ahead. Also a shoutout to all the volunteer coaches and managers that are hopefully getting settled into their roles as we speak. All roles at Beeliar Spirit are volunteer and none are paid, this shows the calibre of dedicated people the club has and it's something we are all proud of.

We are set for the biggest year the club has ever seen, registration are really strong. We are approaching 600 registered members which is amazing. This growth is something we can all be proud of as a club! It will sometimes mean there are bumps in the road and that is where the committee come in to try and smooth things out. Please, if there are any issues at all that you need additional help with, reach out to us via SLACK and we will do our best to help. Please do keep in mind that as mentioned we are all volunteers with actual jobs and sometimes the response may not be immediate. Of course we encourage you to approach us at the oval anytime you need help or have issues. The committee generally have the blue Beeliar Spirit polo with COMMITTEE written across the back. All committee are fantastic and will point you in the right direction. Please don't be afraid to ask questions!!!

We have one fun change this year with our team having selected different coloured training shirts, trust me when I say these stand out. We can't wait for all of you to get your uniform sizes in so we can issue these. It's always really nice to see all the kids with the same shirts for training, this year we are taking that to the next level.

I hope you all have an amazing season! Represent Beeliar Spirit as best you can, build amazing teams, learn lots and most importantly have fun

Dave – BSAFC President
